

# Rakesh Kumar Yadav

Full stack Web Developer

## Professional Summary

Adaptable and responsible web developer capable of writing production-ready code using HTML, CSS, JavaScript, React.js on the front end and Node.js, and Express.js on the back end. Team player with an eye for detail. I am looking forward to working in a fast-paced environment and playing a vital role in a company's growth. I hope to work in a challenging environment as a specialized MERN stack developer.
